

# WHAT CAN I FIND OUT ABOUT MY CLOTHES?

## AGES

7-11,

## MATERIALS REQUIRED

- Paper
- Art materials,
- Pens and highlighters

## AIMS

The students examine their clothes to find the information on the label and draw a picture of that garment. This helps them find out where their clothes are made and what materials they are made from.

## INSTRUCTIONS

- Ask them to draw a picture of their blazer, fleece, sweatshirt or their favourite item of clothing on the worksheet
- Ask them to find the labels which say where this item of clothing was made, and from what materials
- Using this information, ask the students to answer the questions on the worksheet underneath their drawing
- Ask them to say what materials they have found and see which is the most common in the class

**Have you ever thought about the lives of the people involved in making your favourite clothes?**

Fashion Revolution's free educational resource sheets provide simple, fun ways to find out. Visit our website to discover more resources: [fashionrevolution.org/education](https://www.fashionrevolution.org/education)
